

- Submit your [Personal Information Form](#) (PIF) to sales@tyax.com at least 60 days before your arrival date.
- Ensure that you have reviewed and understand the required [Release of Liability waiver of Claims, Assumption of Risks and Indemnity Agreement](#). This document is also available in [French](#) and German.
- You will be required to complete this on arrival, along with a mandatory safety briefing. It is important that you are coherent and not intoxicated for this period. If we feel that you are not able to complete the document or safety briefing you will be required to the following morning which will delay you skiing.
- International travellers – Ensure that you have all proper [Travel Documents](#)
- Ensure that you have all proper Insurance Coverage. To avoid a scenario where you could be paying a hefty medical/evacuation or trip cancellation/interruption bill, we highly recommend that your insurance coverage includes emergency medical coverage and air evacuation coverage as well as trip cancellation and interruption coverage. For travel insurance we recommend Lifestyle Financial. They specialized in insurance for adventure tourism, and so understand the type of coverage that is required for Heliskiing. For more information please contact lifestylefinancial.ca or to request a quote [click here](#)
- Book all necessary accommodation before your arrival and after your departure from Tyax. We are more than happy to assist you with reservations at one of our preferred partner properties. We advise against arriving into BC the same day or departing the same day, as your package dates. Two weeks prior to arrival you shall receive your travel itinerary via email. This document has your pick up/drop off locations and times
- Review the [Booking Conditions and Policies](#)
- Pre-booked Spa/massage treatments to ensure availability. To make a Spa/massage booking please contact us at info@tyax.com
- Ensure to bring your own ski or snowboard boots. We also recommend bringing your own helmet; however, it is not mandatory. Powder Skis and Snowboards will be provided during your stay.
- Luggage requirements: Please bring 1 piece of checked luggage no more than 40 lbs and 1 carry on item. We ask that you please pack using soft luggage, as it is difficult for us to load hard luggage in the helicopters.

PLEASE LET US KNOW IF YOU HAVE ANY QUESTIONS OR CONCERNS: sales@tyax.com
