PET INFORMATION

Tyax Lodge & Heliskiing advises against leaving your pet unattended, but if the need should arise, please keep your pet in its pet cage/kennel. If you do not have a pet cage/kennel, we ask that you notify the front desk when leaving your pet unattended. Please do not leave your pet unattended for more than 2 hours.

Note housekeeping will not tidy your lodge room if your pet is left unattended.

Pets are not permitted in any of the lodge communal areas or restaurant patio. Please use the exit doors at the end of the hallways when bringing your pet inside and outside.

CAMPSITES

Pets are allowed on campsites with a maximum of 2 per site and must be leashed or controlled at all times.

WILDLIFE

All of us at Tyax share our immediate area with the wildlife. Please be aware that these truly are wild animals. Respect that we share the habitat and always watch your pet. Many of our trails are shared with horses. To avoid scaring the horses, please make sure your pet is well behaved and leashed while on the trails and near the horse corral.

PAYMENT POLICY

Nightly pet fees will be charged on arrival. Pet rooms must be pre-reserved and registered upon check in. If your pet is unauthorized, you as the reservation guest will be charged a \$250 fee. Guests who fail to clean up after their pet could be liable for additional charges.

CHECK IN POLICY

It is the strict policy of our resort property that any guest bringing a pet must sign our pet policy on arrival to make sure they understand the guidelines. We will not be able to accommodate you and your pet without this agreement. We thank you for your understanding.
