

## PLATINUM GROUP PACKAGES - VERTICAL METERS PER PERSON

Our Platinum Group programs offer each participant a set amount of vertical meters per person, tailored to the length of the program to be utilized over the program's duration. A 7-night Platinum program at our Spirit Bear Chalet includes 30,500 vertical meters with an 80% vertical guarantee of 24,400 vertical meters.

In the event that mechanical issues or weather conditions hinder the attainment of the included or guaranteed vertical meters by the program's end, two options are available upon check-out: a lodge credit or a cash refund.

To illustrate, let's assume that at the conclusion of your 7-night program, you skied 21,500 vertical meters.

**Lodge Credit:** This credit can be applied towards a future stay within the next two seasons. The per person credit amount is determined by the following formula:  
**(Included vertical meters - actual vertical meters) x \$215 per 1,000 vertical meters.**

$$\begin{aligned}(30,500 - 21,500) &= 9,000 \\ 9,000 / 1,000 &= 9 \\ 9 \times \$215 &= \$1,935 \text{ as a } \mathbf{Lodge Credit}\end{aligned}$$

**Cash Refund:** Alternatively, you can opt for a cash refund, which can be used for lodge incidentals, gratuities, or returned to your account. The per person refund amount is calculated using the following formula:  
**(Guaranteed vertical meters - actual vertical meters) x \$215 per 1,000 vertical meters.**

$$\begin{aligned}(24,400 - 21,500) &= 2,900 \\ 2,900 / 1,000 &= 2.9 \\ 2.9 \times \$215 &= \$624 \text{ as a } \mathbf{Cash Refund}\end{aligned}$$
